Annual Show!
Exposition annuelle!

The next meeting of members will be held at the OBS Annual Show on Saturday September 10 at 4:00 p.m. at the Japanese Embassy. Barney Shum will lead a discussion on the trees on display! Make sure to be inside the Embassy by 4:00 p.m., as outside gates will close at that time.

The Show will be open to the public on Saturday from 10:00 a.m. to 4:00 p.m. and on Sunday from 10:00 a.m. to 3:00 p.m.

Please post the attached poster at your local bulletin board (work, coffee shop, community centre) to help us spread the word.

La prochaine réunion des membres aura lieu durant l'Exposition annuelle de la Société le samedi 10 septembre à 16h à l'ambassade du Japon. Le groupe fera une tournée de l'exposition et Barney Shum en profitera pour animer une discussion sur les bonsaïs en montre. Assurez-vous d'être à l'intérieur de l'ambassade à 16h car le grille extérieure fermera à cette heure.

L'Exposition annuelle sera ouverte au public le samedi de 10h à 16h et le dimanche de 10h à 15h.

Pour nous aider à faire connaître l'Exposition, nous joignons à ce bulletin un avis que nous vous prions d'afficher sur un babillard, soit à votre lieu de travail, au café du coin ou au centre communautaire de votre quartier.

“ IT’S SHOWTIME ! BONSAI EXPO 2005”

The summer has been great for bonsai growing and we trust members have groomed their best bonsai over the course of the summer for this very prestigious show! Matt Yakabuski (613-448-9108) is coordinating all aspects of the Show. If you have any questions, he’s the man to talk to.

What he needs is your support. He needs you to provide your best trees. He needs you to help set up and knock down the show. He needs you to be there as a show attendant, proactively informing visitors and promoting the Society. He needs you at the reception desk. He needs you just to be around because invariably there are things that will come up. The expectation is that over 500 visitors will show up (some will be dignitaries for certain)! We need all hands on deck so we can put our best foot forward.

We need the Society’s best trees! Please contact Matt and give him descriptions of the trees along with the common name. There is limited space and members need to register their trees. There will be limited time to arrange the trees, so the more information he has, the better. If you are concerned about the quality of your trees, call Matt. Trees can be brought to the Japanese Embassy, 255 Sussex Drive on Friday, Sep. 9th, from 2:00 p.m. until 5:00 p.m. Ensure that all trees are well-watered just prior to bringing them to the show.

The regular OBS meetings will resume on Monday October 17 at the Central Experimental Farm.

La première rencontre régulière des membres après la tenue de l’Exposition aura lieu le lundi 17 octobre à la Ferme expérimentale centrale
